Are you passionate about helping others and looking for a career that offers stability, growth, and a chance to make a real difference? The **Michigan Works free CNA training** program is your gateway to becoming a Certified Nursing Assistant—a vital role in healthcare teams across the state. Whether you're a recent high school graduate, a career changer, or someone seeking a flexible yet impactful profession, this program provides the knowledge, hands-on experience, and certification you need—all at no cost.

What Is a Certified Nursing Assistant (CNA)?

A Certified Nursing Assistant supports patients in hospitals, nursing homes, and home-care settings. CNAs assist with daily activities, monitor vital signs, and collaborate with nurses to ensure quality patient care. The demand for CNAs is steady, with an estimated 300,000 positions nationwide and a projected 2.5% growth over the next decade. In Michigan, the need is even stronger due to an aging population and expanding healthcare facilities.
